BOOKMARK

1. Francie mentions that there is a flower on the bookmark that only shows up once, and that flower is the password for Rose's phone.
2. Once you find the flower, use the "Know Your Flowers" page from the Garden brochure to figure out what type of flower it is.

CELLPHONE

1. Francie mentions that there is a flower on the bookmark that only shows up once, and that flower is the password for Rose's phone.
2. Once you find the flower, use the "Know Your Flowers" page from the Garden brochure to figure out what type of flower it is.

WATER FOUNTAIN PIPES

1. Tear out the pipe pieces, and then place them so that they will complete the piping.
 2. All seven of the pipes will be used.
- 

HEDGE MAZE GATE

1. The police report mentions the garden club president, Rose, has the extra key for the maze.
 2. Look at the keys, their color, and the label tag on the keychain.
- 

HEDGE MAZE

1. The maze is set to change each time you do it. To complete it, you must explore the whole maze until you find the hidden spot that will trigger you to find the camera.
2. Be methodical in your search so that you don't miss any spots.

DIGITAL CAMERA

1. You will need to have solved both the pipe puzzle and the maze in order to do this.
 2. Use the letters and number you got off of the SD card to advance.
- 

CAMERA FROM LOCATION

1. Look at the photos and match the types of flowers they are to the ones on the “Know Your Flowers” page in the brochure.
 2. The photos on the camera are numbered. You can use this with the flower locations and the map to figure out where Rose was going.
 3. Be careful. The final flower has more than one location. You will need to look at the map and pick the location that makes sense based on what you get for the first four locations.
- 

NICKNAMES - WHO IS WHO?

Read Alisha's interview. She mentions she has a nickname based on the type of flowers she kills.

Melinda mentions being the treasurer. Based on context clues in the meeting minutes, who is the treasurer?

Emily mentions being the secretary. Based on context clues in the meeting minutes, who is the secretary?

It is stated that Heather and Rose argue the most, and Heather tries to undermine Rose. In the meeting minutes, who seems like they are doing that?

Amanda has a similar way of talking as one of the people in the meeting minutes. Who?

That leaves the final person match up via the process of elimination

SUSPECT ELIMINATION

SPOILERS AHEAD

There are three suspects that can be eliminated during the first part of the mystery.

When you get access to the phone, you will find an email from Rose to a bank. This will eliminate a person.

One of the text messages on the phone will eliminate a person once you know who has which flower nickname.

Once you know the last location Rose was at before she died, you can eliminate a suspect based on the location and what you learn about that person from their interview.

WHERE WAS ROSE MURDERED & WHO HAVE YOU ELIMINATED SO FAR? UNLOCK

You will need to have unlocked the camera and found the location of the final photo, as well as eliminate three suspects before you can move on.

CORPSE FLOWER FLYER PUZZLE

1. Use the clue from the Gardener's note with what is on the back of the corpse flower flyer.
2. Start at line one and pull the letters in the order they line up with the garden sketches. Using the order: rake, hoe, shade, water.
3. Do this for 2, 3, etc. The message you get will start with "view camera..."

SHOVEL PUZZLE

1. Use the clue from the Gardener's note with the shovel and the dirt ground with stones.
 2. Put the shovel so that the handle is around the 1, and then swing the shovel in an arc. Use the letters the end of the shovel touches to get three letters that make a word.
 3. The message you get will start with "Ask..."
- 

MISSING FLOWERS

1. Use the two sides of the flower layouts to figure out how many of each flower is missing.
 2. All of the numbers will be either 2, 3, or 4.
- 

EXOTIC FLOWER FLYER PUZZLE

You will need to find out how many of each of the exotic flowers are missing before you do this puzzle. Also, be sure to read the message on the back of the Exotic Flowers flyer.

1. First, match the seven symbols on the Exotic Flowers flyer to the seven pictures on the flyer. Second, use the numbers you got from the missing flowers to move back that number of words in the text on the flyer. Use the order of the flowers that show up in the photos.
 2. So, starting with Amaryllis, go to the symbol that matches it (the six-petaled flower) and move back a word for each missing Amaryllis. This will get you the word Take.
 3. Do the same for the other flowers.
- 

WHO ELSE HAVE YOU ELIMINATED? UNLOCK SPOILERS AHEAD

You should have completed all other puzzles at this point.

1. You will need to solve all three of the Gardener's puzzles and unlock each one to get the info you need.

SOLUTION UNLOCK

The Gardener will give you a new piece of information that will shed light on something you thought you knew. This will bring one of the suspects back into play and thus make them your prime suspect.
