# MESSAGE FROM NOTE

“The word to open the door is you”

# PHONE

“Numbers for door code are ordered greatest to least, no repeating numbers”

# TEXT MESSAGE CONVERSATION

Hey, are we still meeting up tonight? 🤔

Yeah, why? You getting cold feet? 🥶🥶

No. I just don't want to get there and find out you chickened out. I know how scared you get sometimes. 🤪

Seriously, you are going to call me a chicken. Who was it that used to wet the bed because he was afraid of the dark? 🤔🤪

Dude, I was, like, six at the time. How you still bring up stuff like that? 🤪

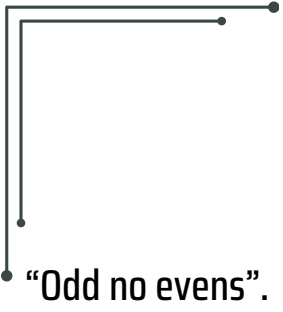

I'm not the one who started throwing out disses. 🤪

Fine. Same spot as last time? Oh and you're buying the drinks this time.

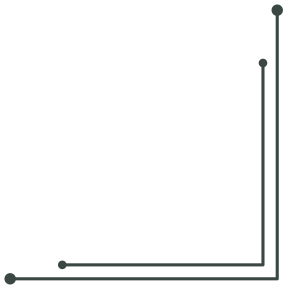

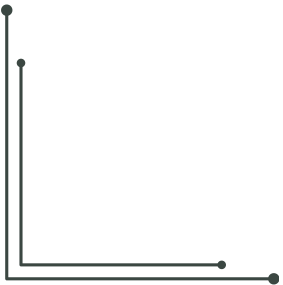

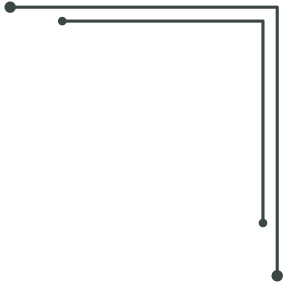

🤪 Fine... I can't believe you're making me pay when I'm between cases at the moment.

Dude, I know you are good for it, so don't play. See you there. 😊

“Start with fourteen minus six times 20 plus seven.”

167

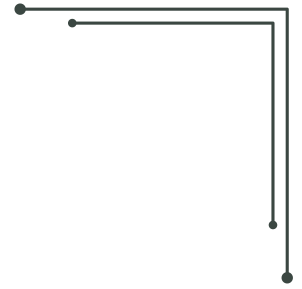

$$14 - 6 = 8$$

$$8 \times 20 = 160$$

$$160 + 7 = 167$$
