# BEGINNING BRIEF RADIO BROADCAST

Welcome back, folks, to day 4 of our search. I know the right one is out there who can peek through the smoke screen and see that we are being controlled. Maybe the right one is you. All you have to do is listen closely as we go backwards in time to hear a classic. This is the DJ signing off for now.

# BROADCAST AFTER STEGANOGRAPHY

Hello out there in radio land. This is The DJ speaking to you with a special report. Stay vigilant and keep your eyes open. The sheep will spend its entire life fearing the wolf only to be eaten by the shepherd. Maybe those missing people ended up on a dinner plate. Is there a group of cannibals operating out of the country club? Question everything. Now, as for the immediate matter at hand-this just in. 11 from money. I say again, 11 from money. Tune in next time.

# BROADCAST AFTER TAROT CARDS

This is the DJ with a special message. I trust only the worthy will be listening. There is more going on than we are allowed to know. What if the missing people or the people responsible for them being missing are somehow involved in black magic. Those lost people could be sacrifices. Why would I say that, you might ask? Well, I've seen things. Weird things. And on a final note-don't fall for what they say is right or wrong, you will find what you need 7 from love. That is S-E-V-E-N from L-O-V-E.

## **BROADCAST AFTER WING-IT-CHICKEN**

Welcome back, fans of The DJ. If you are listening in, then you are definitely no stranger to the truth. What if there is some secret underground fight club like they have in that movie Bloodsport? There are those who would want to silence me, but I won't let that happen. Not yet. If you are so inclined, when the time is right, come on down 8 from happiness. That's right folks, just 8 away from happiness. Now remember, straight lines are not always needed.

## BROADCAST AFTER COIN

Dear listener, it's The DJ here. I imagine you probably have a lot of questions. I can offer answers in due time. I, too, have questions and some theories. Valley Falls is a strange place that is full of conspiracies. I'm sure those missing people think so. What if aliens abducted them and are performing experiments? I am rambling. I forgot my meds. But, when the time is right, go 10 from sadness, that is 10 from sadness. The path doesn't have to be straight. This is the DJ signing off for now.

# PHONE CONVERSATION

Hey, I'm on my way. Yeah, I grabbed a cab just like you said. Yeah, no problem. Well, I did have one quick question about the symbols. I know I have a bad memory. OK. All right. Fold the symbols that go together. Yup. Sword to shield. Yep. OK. I got it. Yes, I know how to do the rest. Look. This better be worth it. OK. Bye.
