12. Computer - First Question
13. Computer - Second Question
14. Computer - Third Question
15. Usernames and Suspects
16. Solution

ACTIVITY SHEET - WORD SEARCH

1. Complete the word search.
2. Use the letters that are at the intersection of two or more words.
3. If the intersection is made of two words(4-way), the letter is used once. If the intersection is made with three words (6-way), the letter is used twice.
4. The word you get will be a type of coffee.

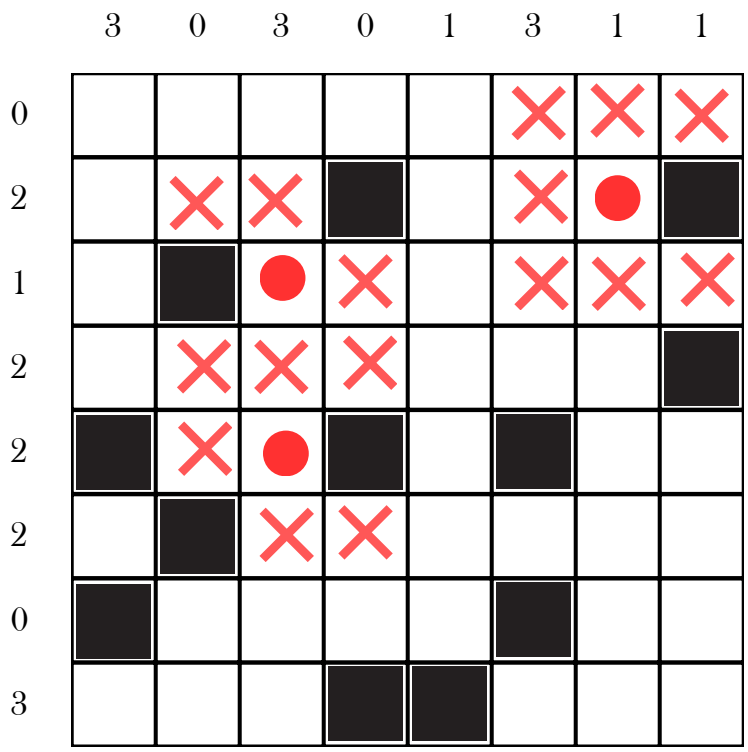

ACTIVITY SHEET - FLAVOR PROFILE

1. Read the clues and descriptions of the flavor profiles.
2. Use the clues to match the regions to the flavor profiles.
3. You will need to figure out some of the flavor profiles and regions before you can do the rest. Indonesia is the easiest to pair up. So start there.
4. Colombia matches with flavor profile 2.

ACTIVITY SHEET - TABLES AND CHAIRS

Below shows the locations of some of the chairs(circles). The Xs show the areas where chairs can't be because of where the chairs are placed.

ZOE GATES

You need to solve the three puzzles above before you can answer Zoe's questions.

SECRET MENU PUZZLE/WEEKLY SPECIAL

1. You need to have unlocked Zoe's info before you can do this.
2. Use the weekly special with the secret menu to get a hidden message.
3. The message will have two words.
4. The numbers from the weekly special give the order number and letter in that order that you should use.
5. The first part of the message will start with "Cod..."
6. Tell the message you get to the person texting you to gain new information.
7. The text message you get from this will have what you need to answer the first question for the computer.

JIGSAW PUZZLE/GAME NIGHT FLYER

1. Use the jigsaw with the Game Night flyer.
2. The jigsaw has the same number of pieces as the squares on the flyer.
3. Use the letters in the squares that match the missing pieces from the jigsaw.
4. Tell the message you get to the person texting you to gain new information.

TEXT MESSAGE - JIGSAW ANSWER

1. The cost of a hot mocha is a clue for this puzzle.
2. Group up the letters you get in the text message in groups of 6.
3. It is easier to see the message if you take the first six letters and read them going down. Then, to the side, you do the same with the next six letters and again until you have all the letters from the message rewritten.
4. You should get a message that starts with, “For those that…”
5. The message you get will be used to answer the second question for the computer.

CAT ART

1. There are three kinds of cats in the art piece. One cat that is in a cup, one cat with round eyes (not in a cup), and one cat with slit eyes.
2. Go through and change the letters based on what kind of cat they are by.
3. The message you get should start with “What is different…”

CAT ART - MESSAGE PUZZLE

1. If you look at the things mentioned in the message you get from the puzzle above, you should be able to spot some differences.
2. Look closer at the coffee bean of each logo.
3. They each have a different number of tracks in the center of the coffee bean.
4. This gives you numbers.
5. Use with the phone QR code to send to the texter.

TEXT MESSAGE - CAT ART ANSWER/ REWARDS CARD

1. You need to solve the cat puzzle and send the answer to the person texting you before you can do this puzzle.
2. From the text message you unlock, you will need to use the rewards card and the white paper with colored letters and numbers.
3. Place the card so that you can see the letters and numbers through the holes. Then use the days and colors mentioned to get a message.
4. The message will start with, “Use k1773r …”
5. The message you get will be used to answer the third question for the computer.

COMPUTER - FIRST QUESTION

1. You need to have solved all the puzzles you have so far and the additional ones sent to you from the person texting you before you try this.
2. In one of the text messages you get, there is something underlined. Use that as the answer to the first question for the computer.

COMPUTER - SECOND QUESTION

You need to have solved all the puzzles you have so far and the additional ones sent to you from the person texting you before you try this.

COMPUTER - THIRD QUESTION

You need to have solved all the puzzles you have so far and the additional ones sent to you from the person texting you before you try this.

USERNAMES AND SUSPECTS

1. Use what you learn about the three people who are trying to kill you from the chat log on the site you find.
2. In their chat, there are references to the drinks they like.
3. Use this information to figure out who is who.

SOLUTION

You need to have solved everything and figured out who is trying to kill you before you can do this puzzle.
