

# Follow the Leader Micro - Hint Files

\*One Puzzle Per Page\*

# Water Tower

1. The piece of paper that talks about the tower is the clue for how to use the image of the water tower with writing.
2. The paper says the tower was climbed from bottom to top. You will read the text from bottom to top, left to right. The message starts with “We Climbed...”

# Paper with Burn Marks

1. The paper with holes burned in it and the paper with words written on it and burned edges go together.
2. Look at how the burn marks are arranged on the paper in relation to the words on the other paper.
3. You will pull the words that fall where the burned holes are. The first word is “We”

# Photo of Screws on Piece of Wood

1. The flathead screwdriver taped to the picture is important.
2. The screws at the top are all different types.
3. You will read it left to right like normal except you will only read what is under the 4 flathead screws. The message starts with "We made..."

# Coded Message

1. You must solve all of the other puzzles before attempting this.
2. From each unlock, you will take the last name of the person who died playing the game. The order is determined by the order of death.
3. Translate the message using the cipher you created. The message will start with "I think I have..."

# Solved All The Puzzles

1. You will need to have solved all the puzzles and decoded the cipher message before attempting this.
2. The coded message gives you the name of the Leader.
