# ANNA'S CARD

1. Anna used a laser grid and performed automatic writing. While doing this she also had a vision. How can Anna's automatic writing connect to her vision?
  2. Notice Anna's vision has numbers with each dot of the laser grid. Use the numbers from her automatic writing with the numbers from her vision.
  3. Connect each grouping of numbers from Anna's automatic writing to her vision to form numbers and letters.
  4. Use this information to access the locked location where she investigated.

# CEDRIC'S CARD

1. Listen to Cedric's EVP session and see how that could connect with paranormal plank items.
  2. Place each item on the paranormal plank in the correct position.
  3. Once all items are placed, the final statement in the EVP session tells you the location you are being led.
  4. Pay attention to your current location. Where are you? Then, what is the final location mentioned in the EVP? Where is it located? What is between the two?

# LISA'S CARD

1. Notice the numbered positions of each cup. Also, notice where the gold coin starts.
  2. Follow the path of the cup with gold coin and see where it ends.
  3. Example. If the gold coin is in the middle cup starting in position 2. Then, the cup moves to position 1...that is one move. The video may show three or small movements of the cup to get to position 1, but that's ultimately the cup moving one position.

# MIKEY'S CARD

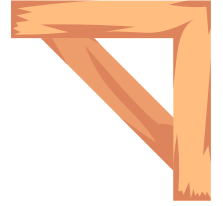

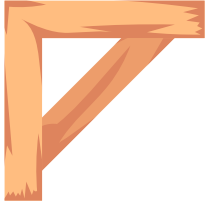

1. Mikey visits the horse stables and has letters appear on the back of the photo he brought with him.
  2. Notice the text that appears on the back of the photo is broken up into groupings.
  3. Try putting all the letters together and see if you notice anything.
  4. Change the way you are reading all the letters and see if that helps.
  5. Start at the end and read backwards.

# PARANORMAL PLANK

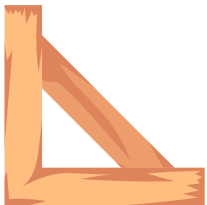

1. See hints for Cedric's card.

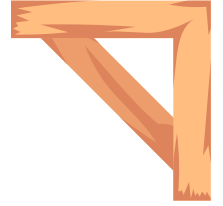

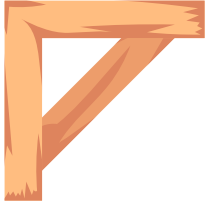

# CUP UNLOCK

1. See hints for Lisa's card

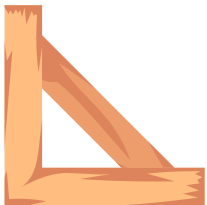

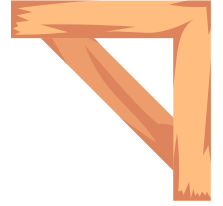

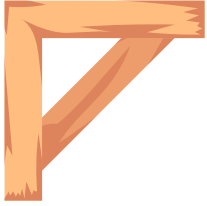

# DEAD BELL UNLOCK

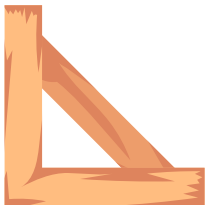

1. See hints for Kristina's card

# CELLAR UNLOCK

1. See hints for Anna's card.

# MIRROR PHOTOS

1. Notice there are different colored letters in each photo.
2. Notice only the top line of letters in the photo with the arrow is red.
3. Count the number of letters on each line in the photo with the arrow.
4. The mirror with the statement “THE LAW IS HERE...” is the decoder key for the other mirror with the encoded message.
5. If a letter in the encoded message is red, it needs to be decoded. The letters in gray require no change.
6. In case of a possible print error with extra spaces, the groupings of letters in the encoded message should look like the following: E ATLW FIOHNR  
BREHW EW T EREHK

# THE MINE UNLOCKS

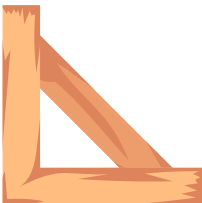

1. Which spirits did each of the other members of STALK to?
  - a. You will need to solve each STALK member card to get this answer.
2. Who of the missing persons did you find?
  - a. You will need to unlock the Cellar and unlock the Paranormal Plank.
3. What do you bring The Hanging Judge?
  - a. You will need to solve the mirror photos puzzle.

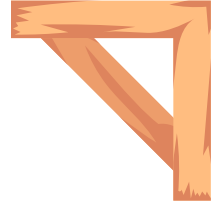

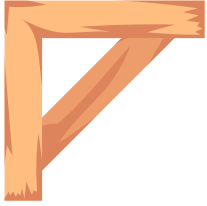

# ANNA AND KRISTINA VISIONS

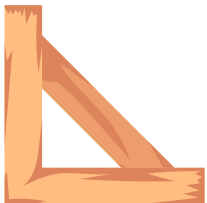

1. When you watch each vision, take note of the things that are different about each vision.
2. Notice that one vision starts with a letter and then alternates with fog. Notice the other vision starts with fog and alternates with letters. How could you put the two visions together?
3. Notice within each vision there are mostly white letters but also red letters. What might be the significance of the red letters?
4. Use the first letter from Anna's vision. Then, use the first letter from Kristina's vision. Continue this alternating pattern until you have all letters put together to reveal a message. Then, focus on the red letters.

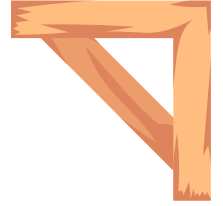

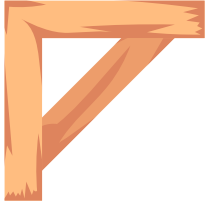

# THE DARKNESS UNLOCK

1. You must access The Mine and use the Anna and Kristina visions to unlock this.

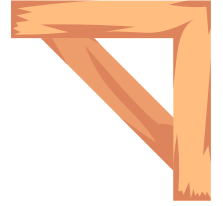

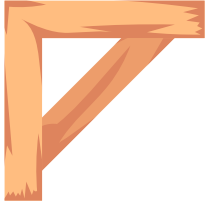

# MINE ESCAPE

1. Listen to the audio from Lisa's recorder and pay close attention to what the different miners tell you.
2. Notice the roles of the pickaxe and ladders.
3. Notice the specific properties of the red rock.
4. Notice the objective is to get to the water.
5. You will need to get the pickaxe to get through horizontal walls, obtain gold, and make it to the stream to escape.

# SOLUTION UNLOCK

1. How many miners did you find?
  - a. You will need to listen to Lisa's recorder in The Darkness
2. What path do you take to gather gold and escape the mine?
  - a. You will need to listen to Lisa's recorder in The Darkness.
