

HACKED Hint File

*One Puzzle Per Page

Will Street Detective Agency Login card

1. Scan the “You’ve Been Hacked” card. FLUK3 gives you specific instructions on how to access the system.
2. This information will be useful with Case File Number 00127.

Motel “Who are you looking for here?” card

1. Scan the “Anonymous Tip Line” card (no password required).
2. Listen to all messages. One message tells you the answer.
3. Another message eliminates a suspect, so make sure you listen to them all.

Den of Thieves

1. When you look in the chat transcript, you see that (TheKoolAidMan) says “Umm password??” The response by the original poster is “What music is *IN* *cognito*?” This is telling you that you are looking for something hidden inside of the word *cognito*. Find the word *cognito* on the page.
2. Look at the screen name of the person that started the chat.
3. The letters in italics spell the word *cognito*. So, look at the letters in between or “*IN* *cognito*” and that will be the password to unlock the Feel the Music code.

Thornmire County Evidence note

1. Read the note carefully. You are provided instructions within the note on what to do with the note.
2. The instruction you are given is “take the words here made with 4 and appear only one time.”
3. Look through the entire note and pull out the words made with 4 letters that appear only one time in the note. You should find 4 words that have 4 letters that appear only one time.
4. The last line reads “Can you feel it?” and this information is with the victim Amanda Limoges. Notice that on the Den of Thieves sheet that the post reads “Can you feel it??” c/o Amanda L. These items connect.

After Unlocking Den of Thieves

1. Make sure you solve the Thornmire County Evidence note.
2. Once you have unlocked the Den of Thieves, the first image you see gives you instructions on what to do with the information that you gained from the Thornmire County Evidence note.
3. Take the words that you found in the note, in the order that you found them, and spell them.
4. With the graphic you get for each letter in the video, combine all 4 graphics (4 letters) for each word and see what you create.
5. Since you have 4 words, you will end up with 4 new creations.
6. The result will be 4 numbers. *Note – these numbers might not be used immediately.
7. Here is an example of what you would get if you combined the four graphics with the letters needed to spell “wish.”

WISH

Case File Number 00126

Phone of Darlene Losier

1. Read the interview with Kimberly Lancaster.
2. You are told about a piece of jewelry.
3. Spell the word from the jewelry on the phone keypad to unlock the phone.
4. Make sure you use the numbers that connect to the correct letters to unlock the phone.

Mom Text Messages

1. Take notice of the text message that mentions tracking a package. This is a website that can be accessed. Visit the website and take note of what is needed there. This will be used at a later time.
2. Back to the Mom Text Messages. There are 4 texts that come through with what looks like random letters. There is a piece of Evidence found with this case that can help you decode those texts.
3. Exhibit B. Notice there are letters in each statement that are underlined. In each statement, these are the letters that are to be swapped. For example, U is D means U=D, I is O means I=O, etc.
4. The final line reads "Part of the key is here. Figure out the rest." Notice the pattern that you have been given with the underlined letters and use that pattern to figure out the remaining substitutions.
5. Once you have decoded the messages, you will be given instructions for the office photo.
6. You will end up with 4 numbers. *Note – these numbers might not be used immediately.

Office Photo

1. Reference “Mom Text Messages” here.

Case File Number 00127

1. Unlock the “Will Street Detective Agency Login card” first. This was not in the envelope but was initially out in the box.
2. Use the information from Exhibit D on the Evidence sheet with the information that Benjamin gives you on his yellow legal paper note about the CD.
3. Notice that the center of the CD fits around the black circles on Exhibit B-1. Also, notice that on the back of Exhibit B-1 is a compass.
4. The audio file from the “Will Street Detective Agency Login card” gives you directions for the CD and for Exhibit B-1.
5. The first audio clue says “From I look W.” Place the center of the CD over the I. You are told to look W (W=west). The first letter that is to the west is the letter “O”. Continue this process until you have found a letter for each audio clue.
6. You will end up with 4 numbers. *Note – these numbers might not be used immediately.

Coyote Parcel Service website

1. You are asked for a 12-digit tracking number
2. From each case, you should have solved for a 4-digit number.
3. Put the numbers in chronological order. *Note – the 3rd case that is connected was actually the first case chronologically.
