How to Eliminate suspects

In the “Where is the lair of Bogman?” unlock, the killer mentions meeting Bradley 25 years ago. This would eliminate Kayla Sullivan as a suspect since she is younger than 25.

In the “Where is the lair of Long Claw?” unlock, the killer mentions being shorter than the victim, who was 6’4”. This would eliminate Jonah Harper since he is 6’5”.

In the “Where is the lair of Grimstone?” unlock, the killer mentions working for Bradley. This would eliminate Roger Moss since he is Bradley’s neighbor.

In the “Where is the lair of Scarecrow?” unlock, the killer mentions being bad at grammar. This would eliminate Kyle Tillman as a suspect since he works as an editor.

Ripper Book Excerpt

Solution:

“Use everything at the razor's end once it is lined up.”
