Eliminated Suspect - Tiffany Carter

She was eliminated because of the message from the string of numbers puzzle.

ONLY THOSE WHO WEAR THE COLOR OF THE CAPTAINS SHIP COULD GET CLOSE ENOUGH.

When you look on the back of the victim's card at the pirate song, the name of the ship is the Crimson Thunder. Of the suspects, Tiffany Carter is the one not wearing crimson (red).

Cause of Death - Rat Poison

Isidro Vargas describes multiple things stolen from his supplies. When you open the sealed treasure chest, you find an empty red can. Isidro mentioned that the red can was rat poison.

Special Word - DIE

When you use the words Jerk, Lunatic, and Selfish with the post card you get the word DIE.
