WORLD WAR II CODE MACHINE

Solution:

“As I look into this further, I believe that the culprit will be working late this evening. I don’t know if it is a good or a bad thing that the director isn’t aware of the thefts. The stress might kill him. Also Stella is not involved.”

GRIDS

Solution:

"The thief is not Aurora or Charlotte."

SUSPECT ELIMINATION

Liam Sullivan can be eliminated by what you learn from the notes on Dr. Gibson's computer.

Aurora and Charlotte are eliminated by the message you get from the two grids.

Gabriel and Stella are eliminated by the coded message on the code machine.

Jackson is eliminated by the hidden message you get from the audio clip.

All of the curators are eliminated by the message you get from the Triceratop.
