[ELIMINATION PUZZLE]

Jackie Torres - Jackie is seen near Daniel, but based on Mabel (Gift Shop) and Albert's (Kong Jungle) testimonies, she would not have had the time to make it to the lion enclosure.

Chris Zang - Chris is seen near Daniel, but based on Tony (Wild Dining) and Zakaria's (Insectarium) testimonies, he would not have had the time to make it to the lion enclosure.

Henry "Sal" Manders - Sal was in the Herpetarium most of the time based on what Liz (Herpetarium) says. During the time he is gone, Harper sees him smoking and talking on the phone the whole time. This is based on testimony from Jonah (Protester). So Sal wasn't seen near Daniel during the time window.

Harper Ashbury - Harper was near the lion enclosure, but based on Mabel (Gift Shop) and Tony's (Wild Dining) testimonies, she wasn't near Daniel during the time window.

Alex Park - Alex was seen working near Daniel by Zakaria (Insectarium) within the given time window. They were working by the giraffes, which is in Herbivore's Paradise. While he wasn't SEEN near the lion enclosure, he was close to it and is unaccounted for a chunk of time. Liz mentions Alex coming by the Herpetarium (which is close to the lions) but leaving 10 minutes before Sal got back. This means Alex left the Herpetarium at 7:50. Alex wasn't seen again until 8:05 by Albert (Kong Jungle). So from 7:50 to 8:05, Alex is unaccounted for.
