# PHIL - VICTIMS

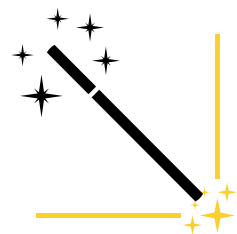

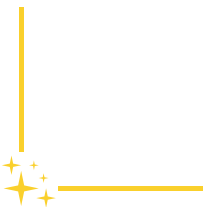

Password:

Conor Edwards

Alva James

Scott Sims

The Magician mentions that three people out of the nine he has killed so far were his real targets, the rest were just practicing. With this information, you can infer that the last victim for each method of killing was were his true targets.

# PHIL - SUSPECTS

Password:

Rai Tashiro

Riley Richardson

Esmond Garcia

Maverick Moore

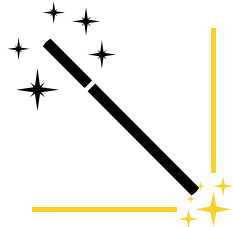

## Suspect Eliminations

Rai Tashiro - The way he writes “Magicians Choice” does not match the way the Magician writes it on the 2nd page in the magic tricks book.

Riley Richardson - In the note found at one of the locations, the magician mentions he thinks magicians shouldn't use 'Great' or 'Amazing' in their names. Riley's stage name is “The Amazing Riley Richardson”.

Esmond Garcia - In the note found at one of the locations, the magician mentions he would get rid of “physical stunts” as a form of magic. Esmond does physical stunts as part of his act.

Maverick Moore - In the note found at one of the locations, the magician mentions he doesn't make people laugh. Maverick does comedy magic.
