Desk Unlock

threadssixty

This unlock eliminates Samuel Hughes because he was out of town selling knock-offs.

Origami

The origami makes a tie.

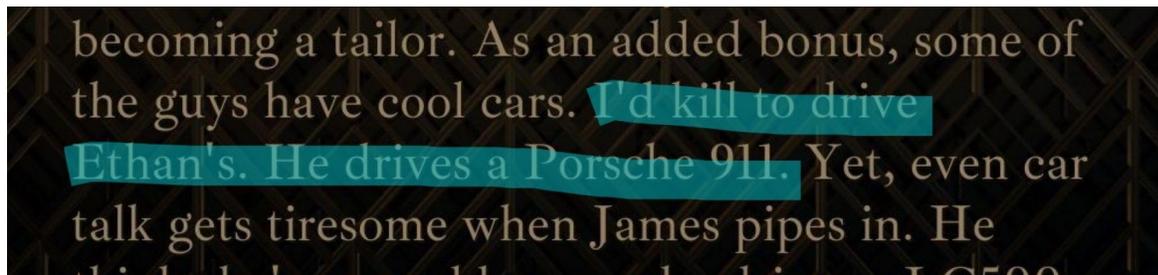

This eliminates James Williams as he talks about wearing a tie and is the only character wearing one.

Traffic Ticket

This eliminates Ethan Li because he drives a Porsche 911, and was out of town on the night of one of the murders.

You'll connect this with the info from Barry's card that says who has what car.

From Barry's card

A screenshot of text from a card, likely Barry's, with a dark background and a repeating diamond pattern. The text is in a serif font. Two lines are highlighted in a teal color: "I'd kill to drive" and "Ethan's. He drives a Porsche 911." The rest of the text is in a light beige color.

becoming a tailor. As an added bonus, some of
the guys have cool cars. I'd kill to drive
Ethan's. He drives a Porsche 911. Yet, even car
talk gets tiresome when James pipes in. He
think he's still driving his LC500.

Fabric Bolts

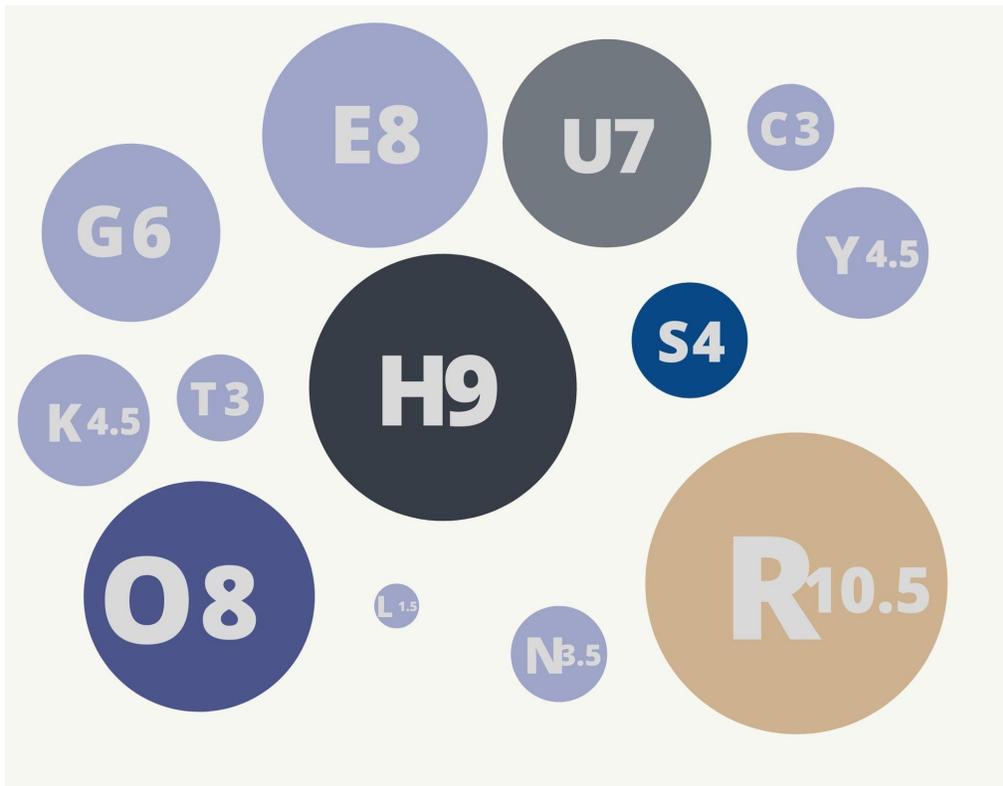

“Bolts plus spools minus buttons.”

$$27 + 8 - 12 = 23$$

Complementary Colors / Approximately Around

“Not the youngest, locker three.”

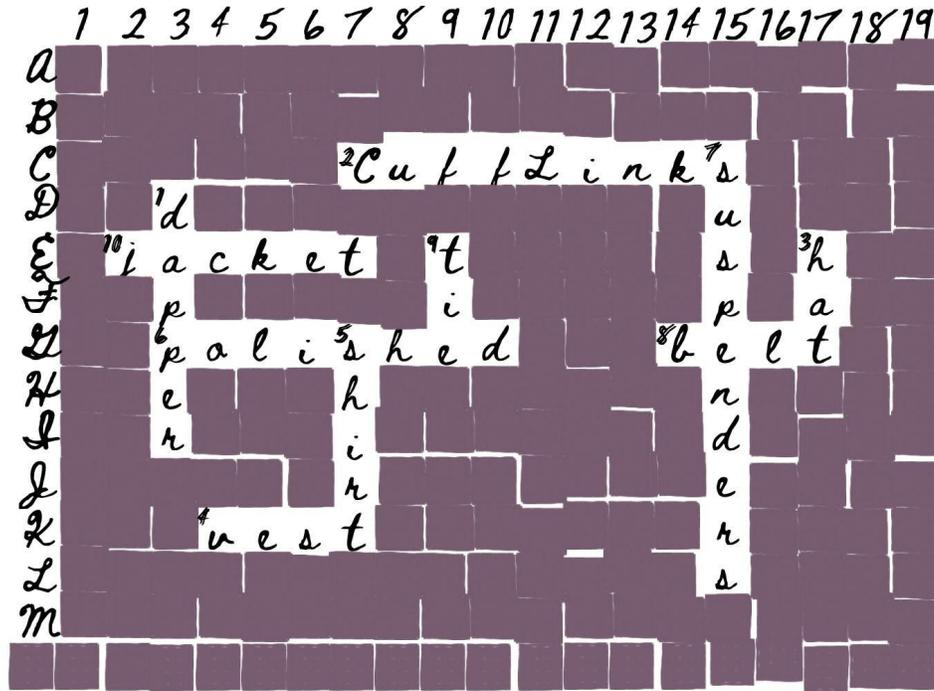

This eliminates Barry because he’s the youngest.

Here are the letters you should get from the circle puzzle. Parentheses are used to show when you get two letters and have to choose between the two to create a coherent message.

Pool Puzzle/Robbie Unlock

goodgame

You get this by matching together the pool balls, the buttons and the menu.

Lorenzo Unlock

atlantic1604

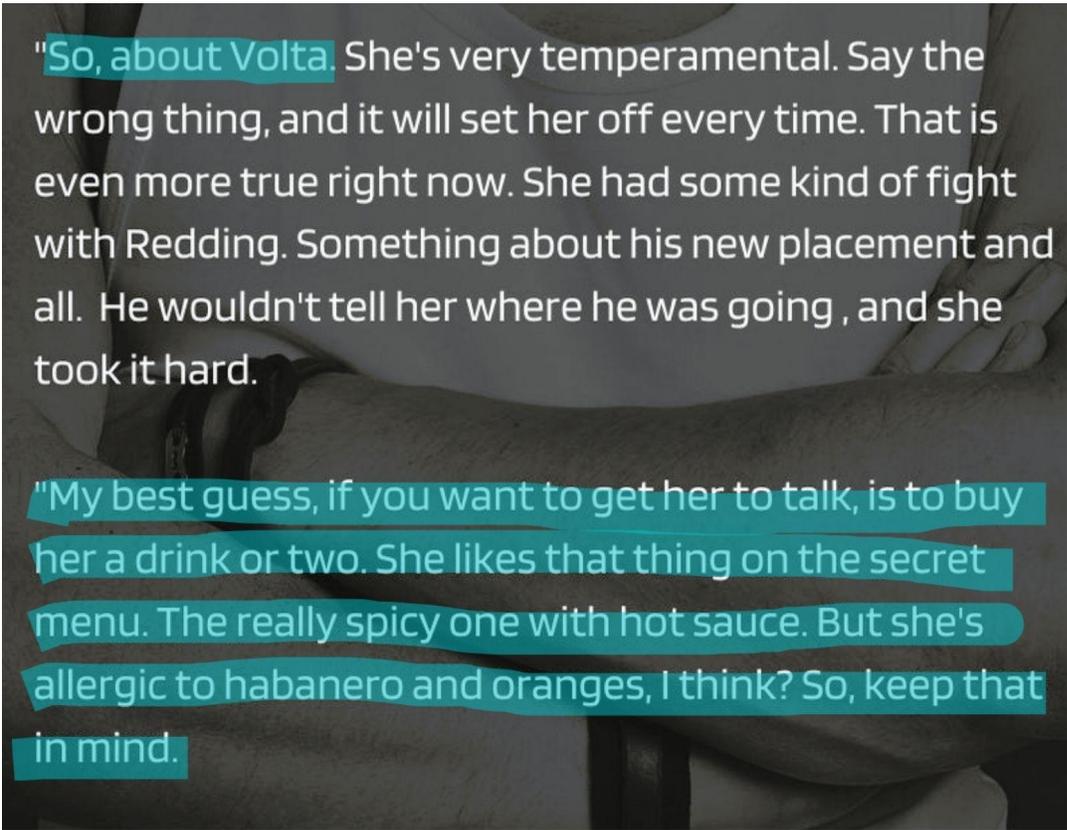

You get this by referring back to the keychain of where one of the victims was staying.

Volta Unlock

14d

You get this because Volta likes specific types of drinks, but has a few allergies. After you rule out what she likes and her allergies, you get this drink.

From Lorenzo's Unlock:

"So, about Volta. She's very temperamental. Say the wrong thing, and it will set her off every time. That is even more true right now. She had some kind of fight with Redding. Something about his new placement and all. He wouldn't tell her where he was going, and she took it hard.

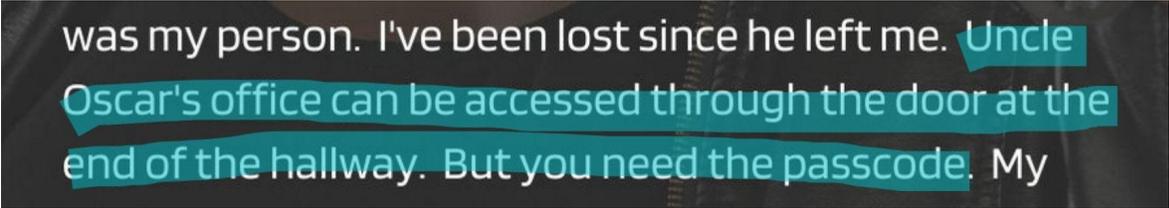

"My best guess, if you want to get her to talk, is to buy her a drink or two. She likes that thing on the secret menu. The really spicy one with hot sauce. But she's allergic to habanero and oranges, I think? So, keep that in mind.

Oscar's Office Door

Volta = 86582

You get this by looking at a normal keypad (like on your phone) and translating VOLTA into numbers.

From Volta's Unlock:

end of the hallway. But you need the passcode. My

Yellow Sticky Note

Hampstead Dry Cleaners

You get this by taking Oscar's note. This will tell you to move everything back one letter so A = Z, B = A, C = B, D = C, etc.

From Oscar's Unlock:

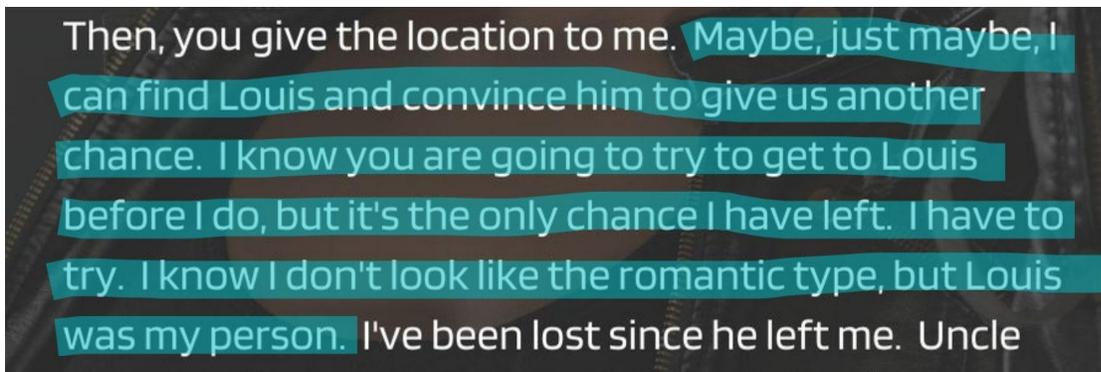

has led you to me. I've written the name of the place he's headed on a yellow note. As far as how to decode the name-I'll tell you what I tell those who get too close to my personal space: take a step back. The Tailor's next target works there. Now, where are these guns located?"

Solved All The Puzzles And Ready To Close The Case?

lthdc

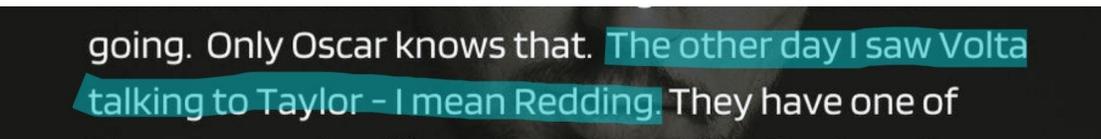

You get this because a couple of characters in the last part let Kent Redding's real name slip, giving you Louis Taylor. Then you pair that information with the sticky note's secret message.

From Volta's Unlock:

Then, you give the location to me. Maybe, just maybe, I can find Louis and convince him to give us another chance. I know you are going to try to get to Louis before I do, but it's the only chance I have left. I have to try. I know I don't look like the romantic type, but Louis was my person. I've been lost since he left me. Uncle
