# BILLY

1. Use what Billy tells you to get all the vegetables sorted.
2. You are told that green vegetables are not on back to back days, except weekends.
3. This means there is a green vegetable on Sunday, Tuesday, Thursday, and Saturday.
4. So the remaining three vegetables would be eaten on Monday, Wednesday, and Friday.

# HART

1. The arrow in the heart is pointing the middle of the three lines.
2. Group the letters in groups of three and take the middle letter from each one.
3. The message you get will start with, “Meet…”

# HENRIETTA

1. Look at the eggs on the back of Henrietta's card.
2. Count how many of each egg there is of the days then look for patterns.
3. Some patterns are obvious, some might take a minute

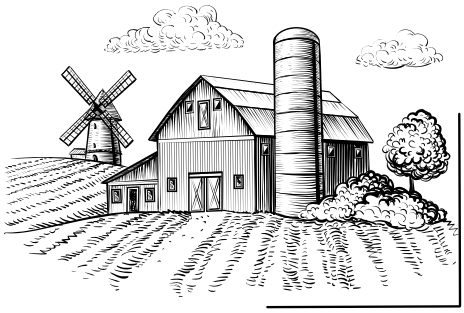

Duchess: 1, 2, 1, 2, 1, ?

Bonnie: 1, 2, 3, 2, 1, ?

Penny: 6, 1, 5, 2, 4, ?

Biscuit: 2, 3, 3, 2, 2, ?

Olivia: 2, 3, 0, 2, 3, ?

# JEFF

1. First, watch the video.
2. Count the number of animals in the video.
3. You are asked to give the total number of chickens, pigs, cows, and sheep in the video.
4. Use the numbers to answer Jeff.

# SHEPERD

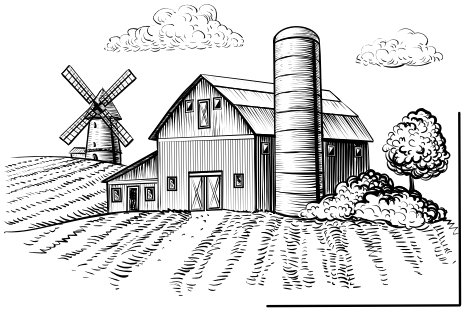

1. You need to find the correct paths for the sheep so that each pen gets the same amount.
2. Start by finding the total number of sheep and divide that by 4 to know how much will go into each pen.
3. Now, start at the group labeled D and move towards the first pen so that you get the number of sheep you need.

# HAYS

1. Place the hay bales using what Hays tells you.
2. Below shows where two hay bales will go. Use that to help you get started.

| | 2 | 2 | 0 | 2 | 2 | 1 | 2 | 1 |

# SUSPECT ELIMINATIONS

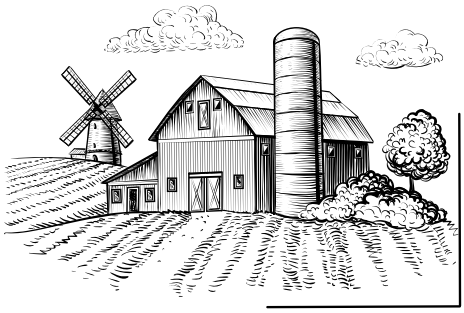

In Shepherd's unlock, you learn the saboteur. Read the suspect info and see from what you learned who it would eliminate.

In Billy's unlock you discover that the saboteur dropped something. Read the suspect info and see from what you learned who it would eliminate.

In Henrietta's unlock, she mentions that it is a good thing the saboteur doesn't seem to know something. Read the suspect info and see from what you learned who it would eliminate.

In his unlock, Hays mentions that the saboteur messed with something. Read the suspect info and see from what you learned who it would eliminate.

Hart mentions that the saboteur did something and Jeff mentions a lot of facts about the different suspects. When you know both pieces of info you will know who to eliminate as a suspect.

# SOLUTION

1. You need to have solved all the puzzles, unlocked everything, and then eliminated all but one suspect, before you can do this.
