SUSPECT ELIMINATIONS

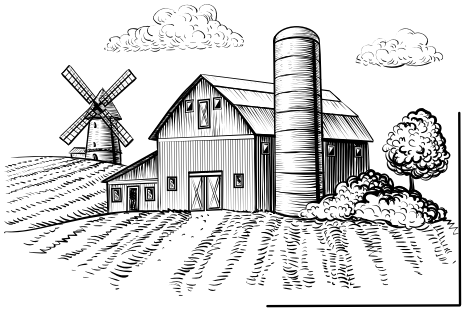

Alan Beckman - In Shepherd's unlock, you learn the saboteur wore tennis shoes; Alan only wears dress shoes. So he is not the one you are looking for.

Samantha Walker - In Billy's unlock you discover that the saboteur dropped a burger wrapper, so this eliminates Samantha since she wouldn't be eating meat.

Bobby Burton - In Henrietta's unlock, she mentions that it is a good thing the saboteur doesn't seem to know a lot about farming. This means you can eliminate Bobby since he is a farmer.

Katie Wildes - In his unlock, Hays mentions that the saboteur messed with the cow stalls in the barn while the cows were in there. This means the saboteur isn't Katie since she is terrified of cows.

Tim Donald - Hart mentions that the saboteur messed up a bunch of rope used for the pulleys by tying a bunch of knots. Jeff mentions that Tim can't tie knots.
