SUSPECT ELIMINATIONS

Solution:

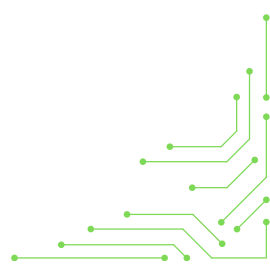

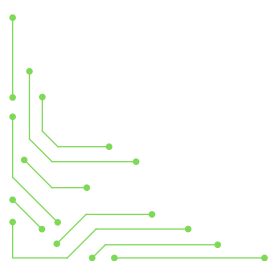

Blue Hawk believe the color red is unlucky and has nothing to do with it. Since THEdark1 is listed something for sale from Red Time, they can not be Blue Hawk.

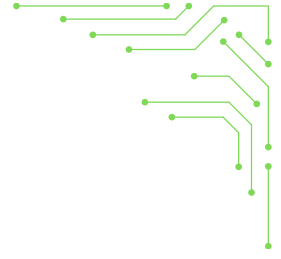

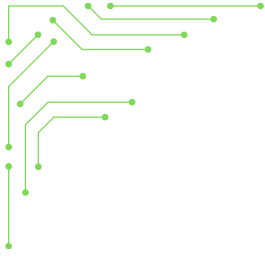

unknOwn

THEdark1 mentions in the folder unlock that they don't like AI. Since unknOwn likes AI and uses it unknOwn can't be THEdark1.

cRy6a6y

THEdark1 mentions they don't deal with people, but cRy6a6y specializes at social hacking, so they can't be the THEdark1.
