CONCLUSIONS

Answers: bdbabb

#1: Is the Poe manuscript real?

b. no

This was revealed when you found Allen-Black's body

#2: What is the killer's motive?

d. revenge

The is revealed in the letters/notes left by the Red Death.

#3: Who is The Red Death?

b. Madeline

This is revealed in the note from the Red Death found with Allen-Black's body. At this note there are only four suspects and the Red Death refers to three of the suspects by name. So this implies the red death is Madeline.

#4: Did they have an accomplice?

a. yes

Since Madeline is the Red Death she would need someone with a key to unlock and lock the doors.

#5: Who is the accomplice?

b. Virginia

This is revealed when the Red Death mentions the help of their sibling. It is revealed that the Red Death was the illegitimate child of Franklin Asher and the maid. This would have been the previous maid, Virginia's mother.

#6: The Red Death was considered a(n)

b. embarrassment

This comes from solving the puzzle with different colored letters.
