PHONE - AUDIO TRANSCRIPT

“Pages face to face”

“The sign of the cross”

“Look at my gravestone”

“And mine as well”

“Caldron, Bottle, Candle, Key, Moon, Spider, Crystal”

TYLER REYNOLDS/BOOK

1. The audio file on the phone has a clue for this puzzle.
2. The numbers give you the order you need.
3. Find the letters that match the numbers.
4. If the page was folded over the line, what letters would the numbers touch?
5. The message you get will start with “Not…”

MATTHEW MILLER/CROSS

1. The audio file on the phone has a clue for this puzzle.
2. The stars on the cross are clues.
3. Think of the sign of the cross and the stars on the cross. How could those help you read the letters in the correct order?
4. The message you get will start with “Always here…”

EDNA ANNE FOWLER

1. The audio file on the phone has a clue for this puzzle.
2. Look at the front side of the gravestone. It holds a clue you need.
3. This is a shifted alphabet message. The front of the gravestone mentions a couple(2) of steps forward. Use this to help translate the coded message on the back.
4. The message you get will start with “The thief was...”

SAMANTHA STEIN

1. The audio file on the phone has a clue for this puzzle.
2. Look at the front side of the gravestone. It holds a clue you need.
3. Take a close look at the design on the front side of the gravestone.
4. The square-like spiral can be used to get the correct order if you work from the inside out.
5. The message you get will start with “Not the…”

OLIVIA GARCIA

1. The audio file on the phone has a clue for this puzzle.
2. The last part of the audio mentions seven images you saw in a vision.
3. Use the order given by the audio file, and then take one letter at a time from the seven images. Then repeat.
4. The message you get will start with “Not the one…”

SKELETON - MESSAGE

1. Match the missing parts to the skeleton and write down the letters.
2. You will need to rearrange the parts to get a coherent message
3. The message you get will start with “The thief…”

SUSPECT ELIMINATIONS

You need to read the info you were given for each suspect and solve the five puzzles connected to the five gravestones,

SOLUTION

1. You need to solve all the puzzles before you can do this.
