9. Lena Voss photo message
10. Newspaper clipping message
11. Computer login
12. Eliminations to determine identity of The Hollow Man
13. Final Evidence Worksheet
14. Final Evidence Worksheet (cont.)

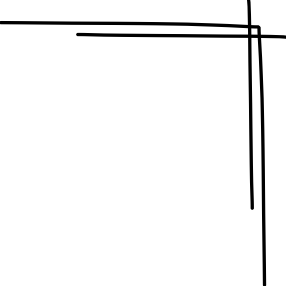

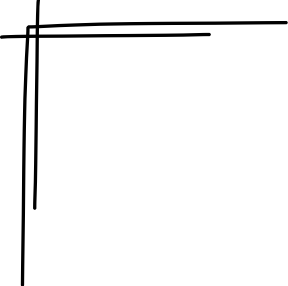

SHEET OF LETTERS IN COLUMNS FROM THE HOLLOW MAN

1. All letters in a single column are scrambled letters for a word. Unscramble each column to determine the correct word.

2. The greyed out boxes across the row are where certain letters from the unscrambled words need to be placed.

3. Once you have unscrambled all words correctly, the letters in the greyed out boxes will form a “play-on-words” phrase to give you a value for one of The Hollow Man’s symbols.

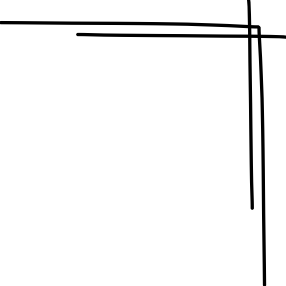

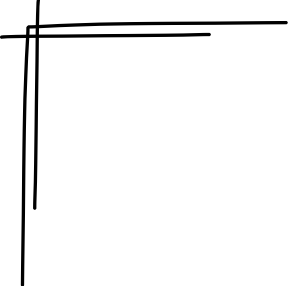

SHEET OF NUMBERS FROM THE HOLLOW MAN

1. Take a good look at the numbers on the sheet. Have you seen any of them anywhere else in the mystery?
2. Look at the photo of Lena Voss and the document with D-0 on it.
3. Notice the three letters that come before the dates on the Lena Voss and D-0 document. This normally means someone has passed away, or in connection to this puzzle it means to eliminate.
4. Eliminate all numbers that appear on the sheet from the Lena Voss photo and D-0 document.
5. Notice what remains. This will provide you with the value for one of The Hollow Man's symbols.

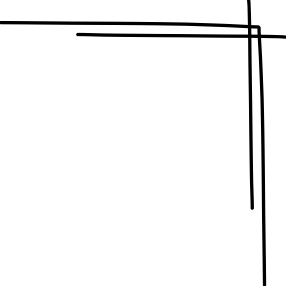

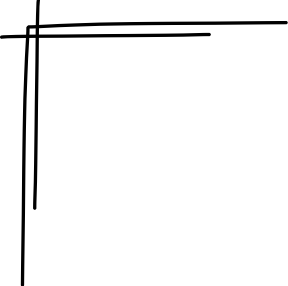

THE HOLLOW MAN VICTIM - DR. EMIL HARROW MESSAGE

1. You need to find values for The Hollow Man's symbols. One character provides you with the value for two of them. The sheet of numbers and the sheet of letters provide you with values for two more symbols. The note with victim Jo Bell provides the value for one more symbol. So, you have a way of obtaining values for five symbols. It is up to you to then codebreak and determine the rest of the values and message.

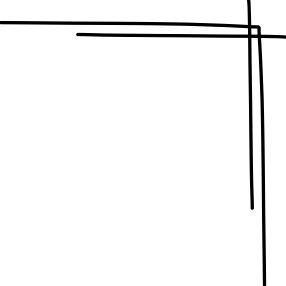

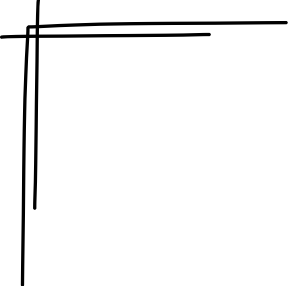

THE HOLLOW MAN VICTIM - MALCOLM CALDER MESSAGE

1. You need to find values for The Hollow Man's symbols. One character provides you with the value for two of them. The sheet of numbers and the sheet of letters provide you with values for two more symbols. The note with victim Jo Bell provides the value for one more symbol. So, you have a way of obtaining values for five symbols. It is up to you to then codebreak and determine the rest of the values and message.

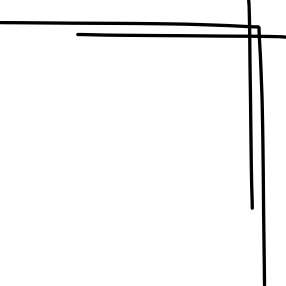

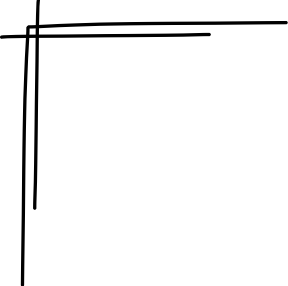

THE HOLLOW MAN VICTIM - JO BELL MESSAGE

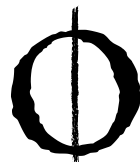

1. You need to find values for The Hollow Man's symbols. One character provides you with the value for two of them. The sheet of numbers and the sheet of letters provide you with values for two more symbols. The note with victim Jo Bell provides the value for one more symbol. So, you have a way of obtaining values for five symbols. It is up to you to then codebreak and determine the rest of the values and message.

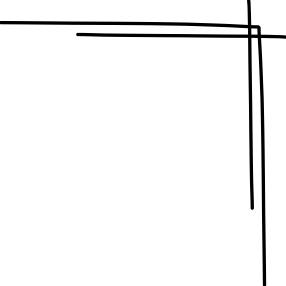

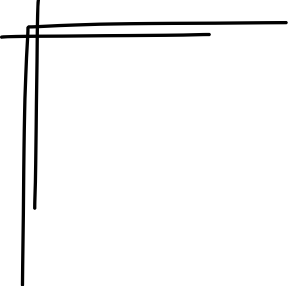

THE HOLLOW MAN VICTIM - ADRIAN VALE MESSAGE

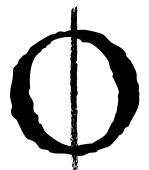

1. You need to find values for The Hollow Man's symbols. One character provides you with the value for two of them. The sheet of numbers and the sheet of letters provide you with values for two more symbols. The note with victim Jo Bell provides the value for one more symbol. So, you have a way of obtaining values for five symbols. It is up to you to then codebreak and determine the rest of the values and message.

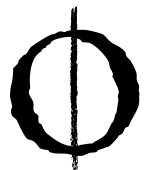

THE HOLLOW MAN VICTIM - PETER ROWE MESSAGE

1. You need to find values for The Hollow Man's symbols. One character provides you with the value for two of them. The sheet of numbers and the sheet of letters provide you with values for two more symbols. The note with victim Jo Bell provides the value for one more symbol. So, you have a way of obtaining values for five symbols. It is up to you to then codebreak and determine the rest of the values and message.

LENA VOSS PHOTO MESSAGE

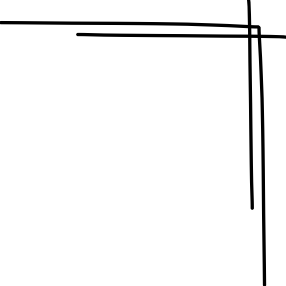

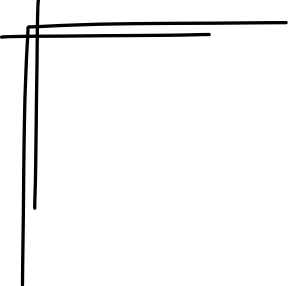

1. You need to find values for The Hollow Man's symbols. One character provides you with the value for two of them. The sheet of numbers and the sheet of letters provide you with values for two more symbols. The note with victim Jo Bell provides the value for one more symbol. So, you have a way of obtaining values for five symbols. It is up to you to then codebreak and determine the rest of the values and message.

NEWSPAPER CLIPPING MESSAGE

1. You need to find values for The Hollow Man's symbols. One character provides you with the value for two of them. The sheet of numbers and the sheet of letters provide you with values for two more symbols. The note with victim Jo Bell provides the value for one more symbol. So, you have a way of obtaining values for five symbols. It is up to you to then codebreak and determine the rest of the values and message.

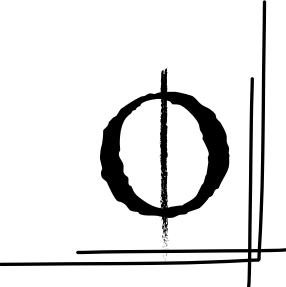

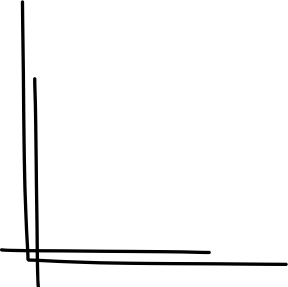

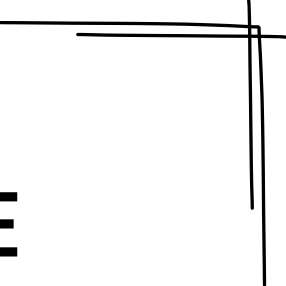

COMPUTER LOGIN

1. You need to gather information from two different sources for this - one is Nora Vale.

2. Nora Vale provides you with the login name.

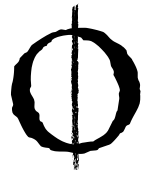

3. The Password Hint on the computer login tells you what you are looking for. Information from talking with Nora Vale can also provide this information.

ELIMINATIONS TO DETERMINE IDENTITY OF THE HOLLOW MAN

1. This case revolves around a child. The majority of eliminations will be related to who has children and are the children sons or daughters. The computer login will also provide an elimination.

FINAL EVIDENCE WORKSHEET

1. Who is the Hollow Man?

Once you have eliminated four people as suspects, the remaining fifth person will be The Hollow Man.

2. What was the first victim's full name?

Through decoding The Hollow Man's message, you will uncover a first name. Once you know the identity of The Hollow Man, their last name will complete the name of the first victim.

3. Who was the police chief at the time of Lena Voss' death?

Decoding The Hollow Man's messages will provide you with this information.

4. What additional details about Lena Voss' death do you uncover?

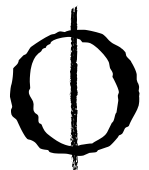

Decoding The Hollow Man's message on back of Lena Voss photo will provide you with this information. Pay attention to the underlined portion of the message.

5. Who developed a conscience?

Decoding The Hollow Man's messages will provide you with this information.
