

# The Legacy Game - Solution Files

\*Only One Puzzle Per Page

# Message From Student Cards

“The missing letter of the maze is the fifth letter of the alphabet start at letter b in the maze and tell Moses what month to beware”

You'll get this by putting together the students' cards in alphabetical order and then following the steps as Moses' card mentions.

# Maze

“Beware the ides of March”

You’ll get this by using the message from the students' cards. The message said the fifth letter of the alphabet which is “e” will go in the blanks.

Do You Have a Word For Me?

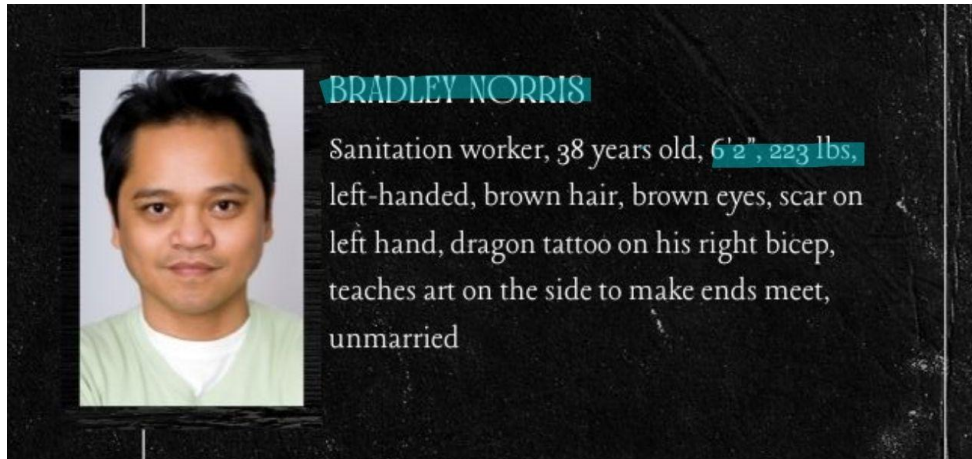

Unlock

march

# Freshly Baked Postcard

UNDER TWO HUNDRED THIRTEEN POUNDS T

This eliminates Bradley Norris because he's 223 lbs.

From St. Misery  
tour guide

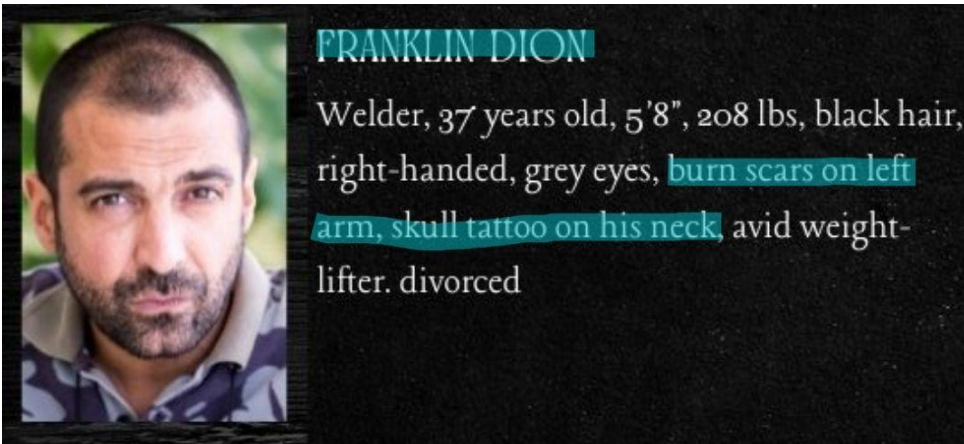

# Nighttime Valley Falls

## Postcard/Saint Misery Amulet

“No scars on arm O”

This eliminates Franklin Dion.

You get this by using the coin. On the side with the head with flowers match the flower and color on the postcard. On the side with the clock match the times with the clocks on the image, when you complete in order you'll get a complete message.

From St. Misery  
tour guide

# Bait Shop Postcard

OLDEST S

This eliminates Anthony Zicari.

You get this by using the postcard and document you'll get by scanning where the Two Bobber's location on the map. Then you'll match up the colors based on the postcard with the items on the scanned location. Keep in mind the phrase "1 for your worm & 1 for your drink." This will get you the word "Oldest" and the letter S. With the message on the postcard, "I'll tell you who it is not" this should eliminate Anthony Zicari.

From St.  
Misery  
Tour  
Guide

# Welcome to Valley Falls

## Postcard/Water Tower

NOT BLUE EYES M

Eliminates Kendrick

You get this by using the water tower image you get when you scan that location and the Watertower postcard. You'll find the letter in the image and following the brackets that connect the legs move however many numbers the postcard calls for.

From QR scan of water tower and Valley Falls Postcard. This shows how to follow the steps. Circled is C, then 1 is T following the bracket, then 2 is N following the brackets. So that gives you C as the first letter.

# Stone Angel Postcard

## Answers

- 1) Life After Death
- 2) Cross Roads
- 3) Down Town
- 4) Sandbox
- 5) Six Feet Underground

# Grave Stones

“Hair is not color of blood A”

This eliminates  
Ronald Heath as  
he has red hair.

tour guide

# Talk to Moses Unlock

kingatsom

Reasons are listed for each elimination on previous puzzle solutions.

# Who Teaches What?

Jacob Harper - Film Production

Timothy Spilner - Global Studies

Cheryl Mooney - Calculus

Dennis Russo - Music History & Theory

Susan Martin - French

You match these up by using their words and the descriptions of them given to you from the Headmaster.

Film production - is constantly complaining about his job and is obsessed with Quentin Tarantino. This is obviously, Jacob Harper.

Global Studies - has lived in four countries trying to the has experienced various other cultures.

Calculus teacher - this one is tied together by both the obsession with a day of the week and "Pi" reference.

Music teacher - music jokes, Julliard

French - obsessed with image and is always prim and proper

ctcalculusglobalstudies

# Film Fest Poster

JH WAS SELLING WEED WHEN THE SCENE WAS SET

Use the year for which letter to use. For the first year, use the first letter of each film title. Second year, second letter, so on and so forth.

# Who's The Distributor? Unlock

jacobweed

Using the film fest card, you'll get this answer.

# Student Records

The grades for French have been altered by the teacher Susan Martin.

You know this because of the student record.

# Who's The Fraud? Unlock

susanfrench

You'll know this because you get a copy of a report card that's been tampered with.

# Paper With Letters

The code is scar

You get information on how to solve this from various unlocks. When you put it all together it will give you this phrase.

# Code For The Headmaster's Classroom? Unlock

scar

You get this from the distinguishing characteristics of the person calling themselves “St. Misery.”

# Sheriff's Badge Card Unlock

witsec

You get this by compiling the info you have from various locations prior to this.

# Card With Different Colored Letters/Punch Card

ONE PLUS TWO

3

You get this by using the colored letters with the punch card to get this answer.

# Sheet With Clock

There is an item in your possession that is spelled with three letters. (KEY)

Find the numeric value for each letter. (K=11, E=5, Y=25)

Add the numbers up. (41)

Take the total and double it. (82)

Take the first digit from that total and add one to its value. (8+1=9)

Start at midnight and go clockwise that many digits. (Clock is reversed so

12>11>10>9>8>7>6>5>4>3

Use the number you end on. (3)

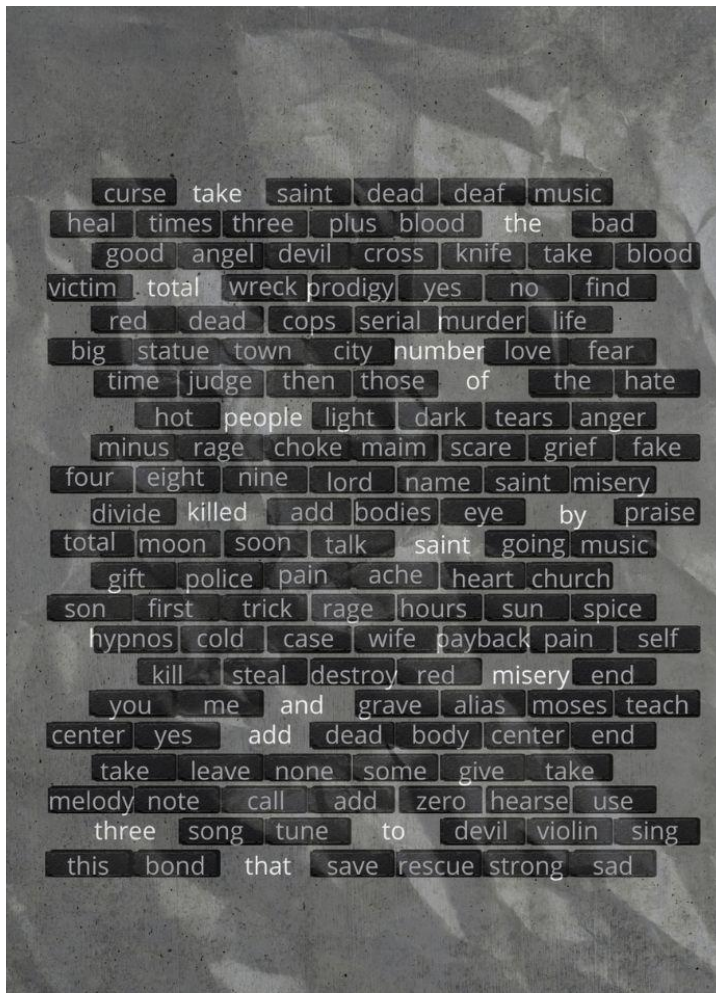

# Brick Wall Card

Take the total number of people killed by Saint Misery and add three to that

Total number of deaths = 5

$5+3 = 8$

(8)

# Red Metal Box/Silver Metal Box

And the color difference makes nine.
