VI BUSINESS CARD PUZZLE

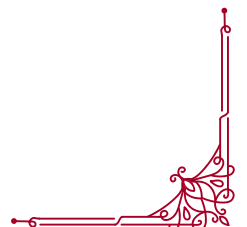

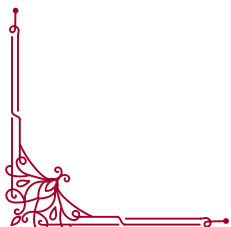

1. This is a Caesar cipher.
2. The Roman numeral 6 on the card indicates how much the letters shift.
3. The translation will start with "The password..."

HAROLD'S NOTEBOOK NAME PUZZLE

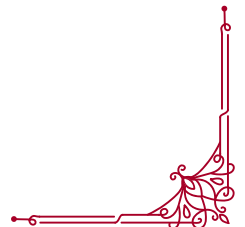

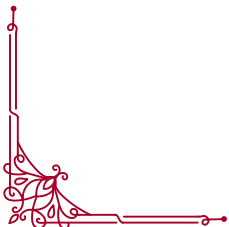

1. The name you should get is a combination of the letters she gives you.
2. Just put them in the order she says, and you will get her name.

VI SITE CIPHER PUZZLE

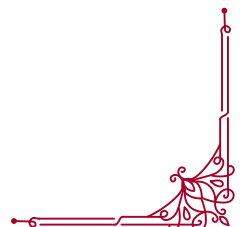

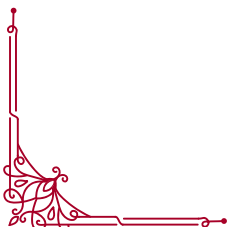

1. Notice how the word exalt is in all caps.
2. This is a keyword cipher. Write out the alphabet, but start it with the word like this: e x a l t b c d f g h i j k m n o p q r s u v w y z.
3. Put the regular alphabet below these letters and translate.
4. The phrase will start: "The exalted..."

VI SITE GRID PUZZLE

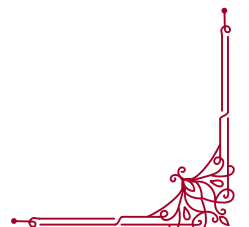

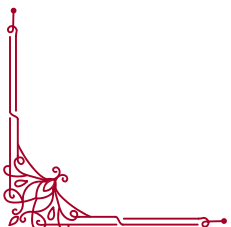

1. On the back of the business card, there is a reference to a grid and a code.
2. Once you get into the QR code on the card, there will be a grid on the site.
3. Adding where the numbers intersect will get you letters.
4. There will be multiple options for some numbers that will have to be figured out based on the other letters given
5. The first two letters are "CH"

BLOOD PUZZLE

1. This is an elimination puzzle
2. The best place to start is Theodore's blood type because it can be easily determined since he only likes one blood type and there's only one that applies to.
3. It also says that Ianthe and Silas are almost as picky as Theodore, so that would make them like only 2 types.
4. Once you figure out who likes what, refer back to the Crime Scene Report. It gives you information so you may determine who the culprit is.

BEGINNING BRIEF SOLUTION

1. You cannot input this information until you have finished all of the puzzles and know who the culprit is.
