DROPPED KNIVES

I'm the Sous Chef and I dropped the Head Chef's knives! I can't remember exactly the order he keeps them in, but he's very particular. Here is what I do remember:

The Paring Knife is always on the left.
The Chef's Knife is wherever there's space.
The Boning Knife is always to the right.
The Carving Knife is always by the Paring Knife.
The Utility Knife is always to the right of the Chef's knife.
