SUSPECT ELIMINATIONS

Pierre Blanc - When you combine the message about the killer not being from Valley Falls and the comment about Pierre Blanc originally being from Valley Falls, you can eliminate him as a suspect.

Amber - You are told the killer has worked at the restaurant for at least 10 years. Amber hasn't been working there that long, so she can't be the killer.

Tyler - You are told the killer has masterful knife skills. You are also told that Tyler's knife skills are lacking.

Brandon - You are told that Gordon didn't order any seafood. Brandon was only working with seafood the last few days, so he didn't poison Gordon.

Coty - You are told Gordon died before he ate dessert, and Coty was only making dessert the last few days. So he couldn't be the one that poisoned Gordon.
