POSTCARD

1. Cedric asks if we can determine who the postcard is from or to.
2. The name of the recipient is marked out on the back, but there may be a way to still see it.
3. You can see the name of the recipient through the front of the card. If you have difficulty seeing it, hold it up to a light.

CEDRIC'S THERMAL IMAGE

1. You will need to determine the name/word needed to unlock this from the postcard.
2. Slide the temperature slider to the right to reveal letters on the image.
3. You will reveal a message that begins with "I AM..."

MIKEY'S FLASHLIGHT SESSION

1. The light flashes in a pattern.
2. There is an item that mentions using lights to convey a message.
3. Use the back of the comic book cover to decipher the Morse Code message being shown. The message begins with "D E"

ANNA'S AUTO WRITING

1. Anna mentions that Christ, Dismas, and Gesta point the way. Find the item that mentions these three and use it with Anna's auto writing.
2. The bus ticket mentions the three above, and the three crosses can be used to point.
3. The ticket can be placed onto the auto writing and moved around until the three crosses line up with the letters. Read the letters in the order mentioned (2 3 1) and move the ticket left to right, top to bottom to reveal the full message. The message begins with "MY N...."

THE LORD'S PRAYER

1. The audio Lisa has features a prayer in the background of the person whispering numbers.
2. Use the audio along with the Lord's Prayer card.
3. This is a line letter puzzle where the numbers first tell you the line then the letter to use. The first set "Two Nine" means you would pull the 9th letter from the 2nd line which is "B".

LASER GRID REPAIR

1. You will need to determine the correct order to wire the laser grid via pressing the buttons.
2. This puzzle requires trial and error to deduce the correct order. It is best to keep notes on scratch paper as you work through the order.
3. The first button is "4" then "1".

SOLVED ALL THE PUZZLES

1. You will need to have completed all other puzzles before attempting this.
2. Each puzzle will give you a first name. You will need all five to proceed.
3. Enter the five names you have in any order.

FINAL MESSAGE

1. You will need to figure out the hidden message in the five names.
2. Some of the letters are marked out for you. You will not use those. The number of blanks help you know how many letters from each name you will need.
3. Pull the letters in order as they appear in the name. For the first one you would get "ALMA".
