

# Duel Quick Start Guide

So you've looked at everything in the box and have no idea how to start, where to begin, or even what a good first step might be. Maybe this is your first box and you aren't sure how things work. Or maybe things just aren't clicking for you on this particular box. Maybe a few starting hints will blow the case wide open and will be all you need to help solve the mystery.

Beginning the investigation:

1. Read the Beginning Brief.
2. Read Anubis Communication (Black Document/Gold Jackal Head)
3. The duel begins with the murders of Daniel Jernighan and Carrie Mendalay.
4. Consult the Duel Rules that Anubis has provided and calculate the point values earned for each victim.
5. Assign the points to the correct killer and record the points on the Scorecard (you will use this throughout the entire box).
6. Locate the VFPD Search Bar Unlock Card
7. This involves determining which witnesses are telling the truth about seeing Daniel Jernigan's murder.
8. The Detective Notes sheet detailing Daniel Jernigan's murder has accounts of several homeless people who all claim to have pertinent details. Only three are being truthful.
9. You are given information that indicates one of the witnesses is known and has been truthful in the past. Use this as the baseline to determine which of the other two are being truthful.
10. Once you have all three names, use them as the unlock password.
