

The Cabin Quick Start Guide

So you've looked at everything in the box and have no idea how to start, where to begin, or even what a good first step might be. Maybe this is your first box and you aren't sure how things work. Or maybe things just aren't clicking for you on this particular box. Maybe a few starting hints will blow the case wide open and will be all you need to help solve the mystery.

Beginning the investigation:

1. Start by reading all of the documents that help to set up the scenario.
2. Read the Will Street Detective Agency letter from Benjamin.
3. Read the Thornmire Observer article.
4. Read the Urgent!! paper.
5. Read the blog Echoes from Camp.
6. Read the interviews paper
7. Work on the archery puzzle, use the archery score card and the archery target paper.
8. Determine the color of each score for each counselor.
9. Example: Trish would be Yellow, Red, Yellow since she scored a 10, 8, 10.
10. Eliminate all counselors based on their scores using the color order listed below the target.
11. You will only have one counselor left.
12. Use that person to unlock the QR code from the archery target paper.
