Horrors/Cinema Unlock

Solution: accounting (gained by solving one of the SD card puzzles and using Ali's major from her ID card to unlock)

The unlock to this gives you: location 5 Carlton Building

Death in a Suit/Eye in the Sky

1. Take the numbers of the five locations and add them together.
2. You will end up with a two digit number.
3. Add those two digits together to find the location that will give you information about who I am.
4. Use the name of the building to gain access to the eye in the sky.

The number of each location is as follows: library (5), Shelley Hall (10), Paisley Hall (7), Harris Hall (32), and Carlton Building (18)

Add all the location numbers together and you should end up with 72. Add those two digits together and you obtain the number 9. Location 9 on the map is security.
