

Framed

Quick Start Guide.

So you've looked at everything in the box and have no idea how to start, where to begin, or even what a good first step might be. Maybe this is your first box and you aren't sure how things work. Or maybe things just aren't clicking for you on this particular box. Maybe a few starting hints will blow the case wide open and will be all you need to help solve the mystery.

Beginning the investigation:

1. Read the Beginning Brief
2. Read Noah Parker's interview and the detective notes to get an understanding for the case.
3. Read the interview with officer Garton and see if you can get into the evidence room to check Noah's phone.
4. Solve the sudoku puzzle to gain access to the evidence room.
5. Notice the number the text was from and who they were trying to contact.
6. This will implicate 2 people
7. Now work on solving the other puzzles and building your list of suspects.
