# Shorthand messages on napkins

Who keeps eating all the pizza?

I think it was one of the ladies

Ya, my guess is Luz, her manager won't let her eat most of the time,

I agree, I have seen her sneaking food to her room.

Man I feel sorry for her, must be close to starving.

Hey do any of you know what happened to the safe? The password changed again.

Someone must have opened it. One of the producers has it set to change the password every time it is used. Try the next one in the sequence. I believe it is the seventh one.
