# Suspect Elimination

Olivia Shu is eliminated by the email found in the computer packet. This places her out of the country during the time of one of the murders.

Allen Wells and Bo Peters are eliminated by the work order found in the drawer packet. This places them at the library during one of the murders.

Mary Little and Harrison Tigrett are eliminated by the drawer puzzle since it gives the message "Not the Pages."

Martha Goss is eliminated when the journal is translated, since the criminal mentions committing all of these crimes without the head librarian knowing.
