# How Everyone Is Eliminated

Rebecca:

Rebecca is eliminated due to not being able to be in the groom's suite because of her allergy to dahlias. It's explained in Amara's unlock.

Iris:

Iris is eliminated by the explanation that Duncan gives you about her going to the Maroon District to do a drug drop.

James Vance:

He's eliminated by the note "I do, I do" it says "J.V. drug drop at two". At this point, you may or may not know who James is meeting. Iris and James were meeting. Therefore, He couldn't have been there. Neither could she.

Cecilia:

Cecilia is eliminated by answering the question to call the priest, Father Matthews, who tells you that Cecilia was on the phone with him at the time of the murder.

Peter McGowan:

Peter is eliminated by the photos taken on disposable cameras. They're developed with the timestamp that tells you he was there at that time, drinking and partying, in the reception hall.

Lizzy, Hugh, and Davina:

The confirmation for all of these is that Davina and Hugh were supposed to be meeting. Davina showed up at the meeting place and left at 2:26 because Hugh never arrived. But it turns out that was because Hugh and Lizzy were arguing, and you overhear that that happened when you run into Davina and Hugh arguing after you unlocked the bar. You find Davina's note from the cake and the guestbook. You'll find that Hugh and Lizzy are dating in the program.

# Everyone's Number Matching

Davina is #1

You match Davina up in the wine unlock from Hugh saying that she's his number one.

thought she'd be happy to just be a bridesmaid, didn't matter if she was #8. You know? But about the rest of it, she's my girlfriend. But you're something more. You know you're my #1. You always have been. But if you don't believe me, you can ask her."

Lizzy is #8

You match Lizzy up in the wine unlock because Hugh tells Davina Lizzy is upset about being the last bridesmaid meaning she would be after Cecilia and Rebecca.

Hugh is #5

Hugh is You match up the best man in the shed unlock because he's #5.

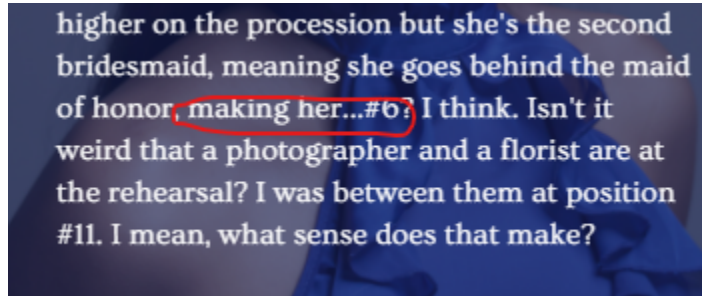

If you find this, I came to meet you. But when I got here, you weren't here, so I waited until 2:26 p.m. You still haven't shown. I can't believe you left me standing here. Mr. #5, if you finally show up, just know that I couldn't stay any longer. I will talk to you later.

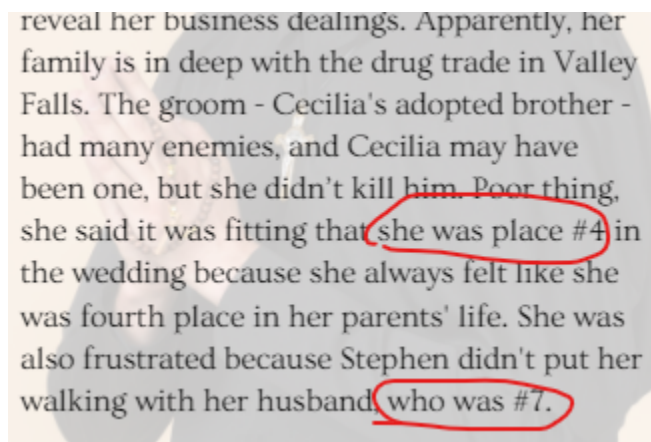

Love, Davina

Rebecca is #6

You match up Rebecca from the Amara unlock. Amara tells you that Rebecca comes after Cecilia.

Cecilia #4

James #7

In Father Matthews' unlock, he tells you what number they were.

Peter is #9

You match up Peter to 9 because he writes that on something in the picture in the vision board unlock .

Iris is #12

Duncan's unlock tells you that Iris was number 12.

Obviously, Iris couldn't tell them she was going to do a drug drop in the Maroon District. She wasn't going to tell the police that. Before she left, she said something weird about some vision board thing? Anyway, now that we've gotten what we both need, I'm going to work on my case. Oh! And about your question on where she was standing at rehearsal, I think she was in position #12?
