VOICEMAIL

Hey sweetie, could you pick up some things from the store on your way home?

We need some...

Honey, are you there? Please answer me.

The symbols are corrupted, so are the caps.

And while you're there, could you also get some...

Carter, are you there? Please, I need you. Don't leave me.

Remove the corruption and fill in the vowels.

OK, talk to you later. Love you.

I love you, sweetie. Please, come back to me.
