# Guard Shack Unlock

Solution: 1211

From newspaper article

this come to fruition, I have **one**  
vision for this project: seven stores  
four restaurants and two gyms."

From Ralph's Card

Surprisingly, we have something in common - I have  
**one vision, too. But then we definitely have our**  
**differences. I would love five vacation homes around**  
**the world, three classic cars, and one beautiful wife.**

Both have 1 vision. So the first digit is 1. To get the rest take the difference(substaction) using the amounts of that the disagree on.

$$742 - 531 = 211$$

All together that give you

1211

## SAVE FUN TOWN

**The Best Amusement Park in the World!**

**Reasons to save Fun Town:**

- A major part of Valley Falls History. Opened in 1972.
- Opening day saw a record ride total of 60 single riders and 452 couples on the famous Tunnel of Love!
- The Spleen Splitter was the first roller coaster in the county!

What better way to boost tourism in Valley Falls than an amusement park!

Sign the petition and help save Fun Town!

$$452 * 6 = 2712$$

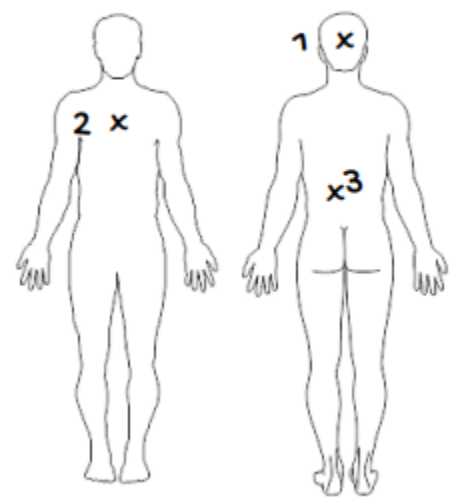

$$60 * 3 = 180$$

$$2712 + 180 = 2892$$

$$2892 * 2 = 5784$$
