**1/29**

Solution:

“Place an X in the center square.”

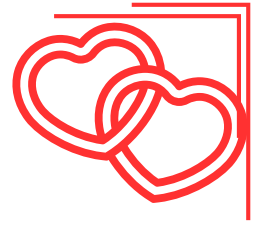

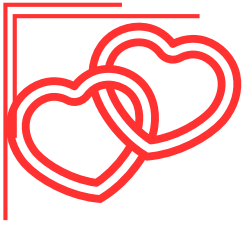

**1/30**

Solution:  
“Bottom left”

Put an 0 in the bottom left corner.

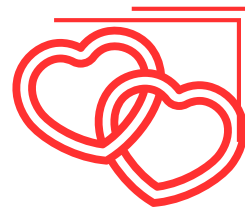

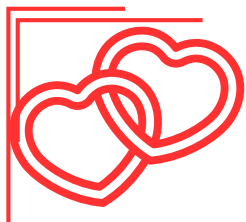

**1/31**

Solution:

“We did not hide the money at pier six”

Put an X in the bottom right corner.

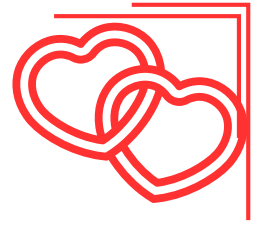

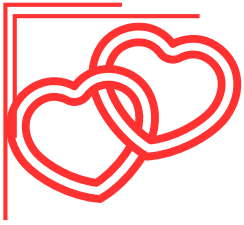

**2/1**

Solution:

“Every move goes up one square then put me in the center.”

**2/2**

Solution:

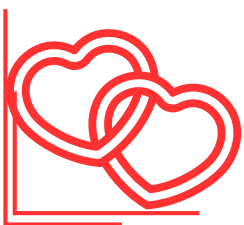

“Once upon a time I knew top secret info. Just between you and me the money is six feet under ground.”

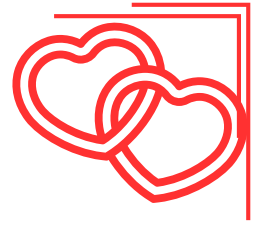

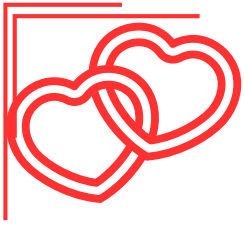

Second Solution:

By pulling the correct letters, you get:

“upper east”

This is where the next X should go.

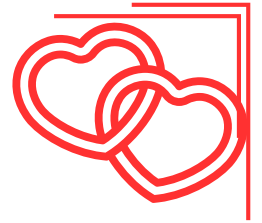

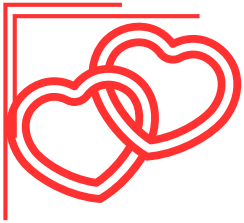

**2/3**

Solution:

“Not so fast. I move upper left. then revise move from two-one to go bottom right.  
The money isnt in either of those places.”

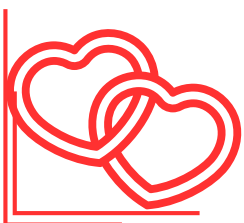

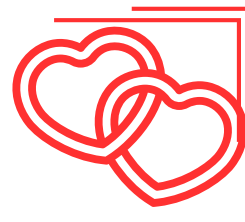

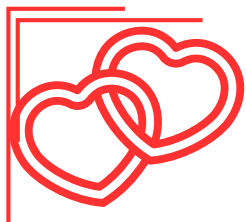

2/4

Solution:

“x middle o lower left you win”
