SUPER CHEESY VALENTINE

1. Look on the Beginning Brief for the day the speed dating event was on.
2. Use that number to count every 4th letter and get a message from those letters.

TIC TAC TOE VALENTINE

1. Figure out the order in which the game was played. The X's moves are already numbered, so you just have to figure out the heart's moves.
2. Once you get the order, you will apply it to the letter grids to get a message.

DIM SUM VALENTINE

1. Notice that the d and s are underlined.
2. Use that information as a cipher for the letters.

SIGN OF TRUE LOVE VALENTINE

1. Use the circle of Zodiac signs as a clock.
2. Follow the instructions to land on a sign.

CUPID/DART BOARD VALENTINE

1. Notice the blanks match the colors of the hearts on the dart board.
2. The numbers will convert to letters.
3. Place the letters in the colored blanks that match the same color hearts that are on the dart board spaces. Orange, Green, Grey, Purple and Pink all have specific letters they use, but the letters that have Red and Blue spaces will have to be sorted in the sentence. Letters will be used more than once.

WHO IS YOURS TRULY CARD
